HOW TO BE A COOPERATIVE PERSON

LISTEN carefully to others and be sure you understand what they are saying.

SHARE when you have something that others would like to have.

TAKE TURNS when there is something that nobody wants to do, or when more than one person wants to do the same thing.

COMPROMISE when you have a serious conflict.

DO YOUR PART the very best that you possibly can. This will inspire others to do the same.

SHOW APPRECIATION to people for what they contribute.

ENCOURAGE PEOPLE to do their best.

MAKE PEOPLE FEEL NEEDED. Working together is a lot more fun that way.

DON'T ISOLATE OR EXCLUDE ANYONE. Everybody has something valuable to offer, and nobody likes being left out.

Number of players: Two.

Rules: Each player takes turns drawing a line between a pair of dots. The dots must be adjacent, but can be anywhere on the page. The goal is to close four sides of a box. Each time you create a box, you get a point; then you take another turn. The player who creates the most boxes wins.
